BLUEBEAM TRAINING COURSES

Brighter Graphics is now offering specialized Bluebeam training courses for AEC professionals.

To meet the varying requirements and expertise of Bluebeam users, the courses are now offered in two different tiers including:

- Beginner
- Advanced

All training sessions are hosted by Troy DeGroot, a leading Bluebeam Certified Instructor. Click the button below to find and enrol in the Bluebeam course that best match your preferences.

Bluebeam continues to follow the trajectory of enhancing user efficiency and streamlining workflows with its innovative updates. [Read](#) our detailed blog to get a comprehensive overview of the latest Bluebeam release for June 2024. The new features and updates will revolutionise your document management and design review capabilities with Revu 21, ensuring a more precise and seamless desktop experience.

OUR LEGACY

Digitising Construction since 2003, Brighter Graphics takes pride in being the pioneer and largest Bluebeam reseller in the UK. With our dedicated commitment to unmatched customer service and support, we have earned the status of a Bluebeam Platinum Partner. We are thrilled to announce that we have expanded our reach and are the largest Bluebeam reseller in Europe.

As you can see we have been working on a lot of things recently so we'd love you to stay connected with us as we bring you more valuable and insightful content directly to your inbox.

We also value your opinions! We genuinely want to hear your thoughts and comments as we move forward. We do this to be the best Bluebeam partner in the world and without your help and continued support over the years we wouldn't have got to the position we are in so continue to give us feedback that helps us improve our service.

We love Bluebeam and want you to use the software to its full potential. Whether its licensing, training, support or just a quick call to see whats happening out there in the world of Bluebeam, the team at **Brighter Graphics** and I would be happy to speak to you.

Here are some specific ways you can help us improve our newsletter:

- Tell us what you like and don't like. What topics do you find most interesting? What kind of content would you like to see more of?
- Share your feedback on the design and layout of the newsletter. Is it easy to read? Are the images clear and engaging?
- Suggest new features or improvements. Do you have any ideas for how we can make the newsletter even better?

Here are some additional benefits of staying connected with us:

- You'll be the first to know about new features and products from Bluebeam.
- You'll get exclusive access to discounts and promotions.
- You'll be able to connect with other Bluebeam users and share ideas.

So what are you waiting for? Stay connected today!
